

## Assignment-2

### Area Chart: sale performance by month

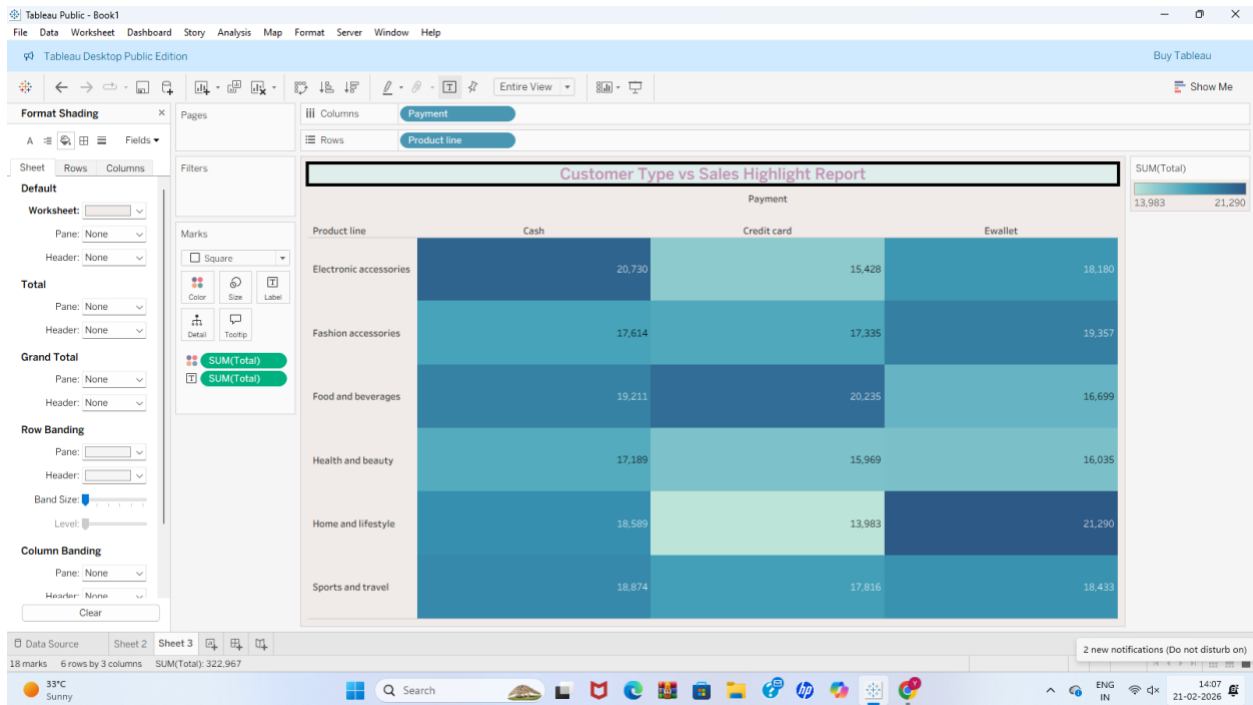

### Text table: total sales distribution by product line

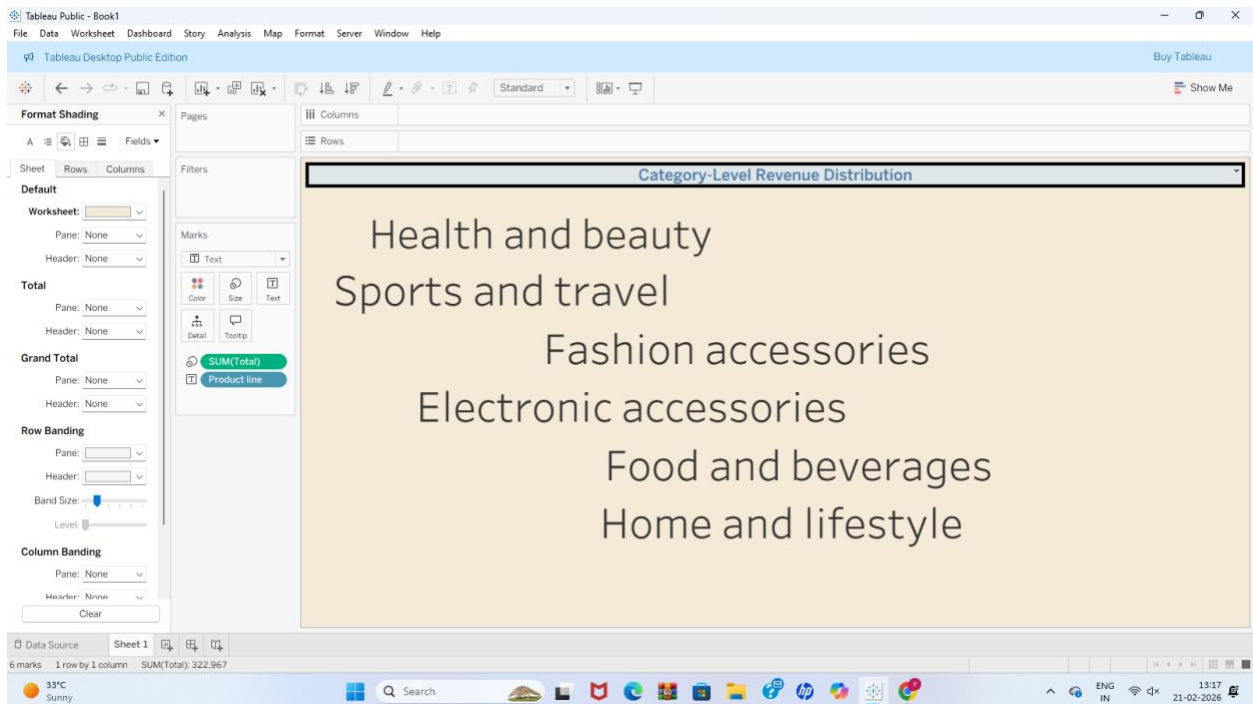

The text table displays the total sales distribution by product line. The Y-axis represents the Product line, and the X-axis represents the SUM(Total) sales. The legend identifies the product lines: Electronic accessories (blue), Fashion accessories (orange), Food and beverages (red), Health and beauty (green), Home and lifestyle (yellow), and Sports and travel (yellow). The table shows the total sales for each product line, with Food and beverages having the highest total sales at 56,145.

Product line	SUM(Total)
Electronic accessories	54,338
Fashion accessories	54,306
Food and beverages	56,145
Health and beauty	49,194
Home and lifestyle	53,862
Sports and travel	55,123

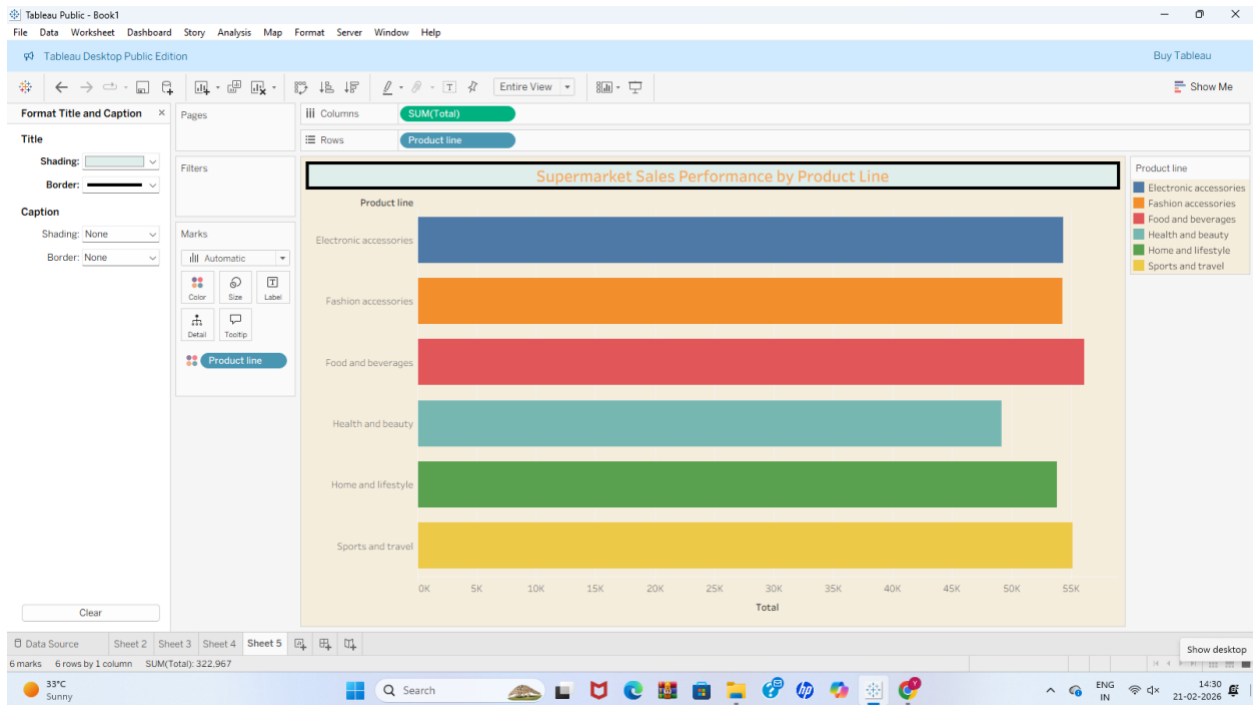

## Highlighted table: customer type vs highlight report

## word cloud: category-level revenue distribution
